

Information About the Proposed Ending of Housing Stabilization Services for Participants

On August 21, 2025, The Minnesota Department of Human Services Minnesota submitted a request to the federal government to end the Housing Stabilization Services (HSS) program.

HSS cannot end until Minnesota receives approval from the federal government to do this. **Because of this, Housing Stabilization Services continues to operate as normal until this approval is received.** Program termination will be effective **no earlier** than October 20, 2025.

You can submit formal comments about the process for ending the program to dhs.spa.comments@state.mn.us. These comments must be received **by September 20, 2025**.

You can find DHS FAQs on the proposed ending of the HSS program here at <https://mn.gov/dhs/housing-stabilization-services-termination/>.

What does this mean for people receiving HSS services?

If you are currently receiving Housing Stabilization Services, you should:

- Connect with your provider as soon as possible, and
- Ask for help planning for when services end.

If you:

- Have lost touch with your provider and have not heard from them in a while,
 - Were working with a provider that has closed and is no longer providing services,
 - Are not sure who your provider is, or
 - Are concerned that your provider is not providing the services as expected, **you can:**
- ❖ Contact your Medical Assistance administrator (MCO)'s customer service to request information about your HSS eligibility and provider status. This information can be found on your health insurance card.
 - ❖ Connect with your county worker or other social worker or healthcare provider to request assistance.
 - ❖ Contact another Housing Stabilization Services provider to have your case transferred. A searchable list of our providers may be found at <https://mn.gov/adresources/>. In the "How can we help?" box, type "Housing Stabilization Services." Please be aware that many providers are no longer accepting new clients.

Additional resources for help with housing services

If you are currently housed and worried about losing your housing: Contact your local homeless prevention program. A list of providers is available at <http://bit.ly/4lIBMaf>.
